BACKGROUND AND LEGISLATION

BACKGROUND

The Best Start, Best Life reform will help all Victorian children dream even bigger through increased access to quality early childhood education and care. A critical part of the reform is Free Kindergarten, which will support access to two years of high-quality kindergarten programs for all Victorian children. All families with a child enrolled in a funded kindergarten program are eligible for Free Kindergarten, this includes both 3 and 4-year-old kindergarten programs.

Free Kindergarten supports families to access a funded kindergarten program by:

- providing a free 15-hour program to four-year-old children enrolled at a sessional service
- providing a free 15-hour program to three-year-old children enrolled at a sessional service
- offsetting the funded kindergarten program component of parent fees for three and four-year-old children enrolled at a long day care service

Free kindergarten supports every Victorian child to get the best start in life no matter where they live. Research shows that play-based learning is a powerful way to support children's learning and development. Two years of early learning is a crucial part of their educational journey, these benefits last into the school years and beyond.

Regulation 168(2) (n) of the Education and Care Services National Regulations 2011 requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. Any voluntary parent donations and/or fundraising must comply with the Free Kindergarten subsidy guidelines and be responsive to the local community.

The amount of subsidy received is determined by the circumstances of the applicant's including the family income, the hourly rate cap and the hours of activity undertaken by the parents. Further information for parents can be found here: <https://www.servicesaustralia.gov.au/child-care-subsidy>

Long day care providers that offer funded kindergarten as part of the long day care program are required to directly offset the full payment of the Free Kindergarten initiative from parents' out of pocket fees (after CCS is applied). Fee reductions will be made proportionally across the year to families' bills, i.e. fortnightly or monthly. Only children receiving a funded kindergarten place at Foster Early Learning, led by a qualified teacher, are eligible under this initiative.

The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. Receipts will be provided for all fee payments.

This letter will also include information on a range of support options available for the family.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
