BACKGROUND AND LEGISLATION

BACKGROUND

Regulation 168(2) (n) of Education and Care Services National Regulations 2011 requires that Early Childhood Education and Care services have a comprehensive written fees policy, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged and the payment process. All families must be informed of applicable fees at the time of enrolment.

Australian families receive help with the cost of child care through the Child Care Subsidy (CCS). The Australian Government, through the Department of Education (DE) and Services Australia, administers the Child Care Subsidy (CCS). Providers must be approved by the department to receive CCS.

DE is responsible for the legislation that underpins CCS. This legislation is called Family Assistance Law (FAL). All providers that receive CCS must follow the rules under FAL. DE monitors providers' compliance with FAL.

The Australian Government subsidises the cost of child care. State and territory governments are responsible for the health, safety, wellbeing and educational outcomes of children.

The Australian Government considers that immunisation is an important health measure for children and their families, as it is the safest and most effective way of providing protection against harmful and often deadly diseases. To meet the Child Care Subsidy immunisation requirements, children must be immunised according to the standard vaccination schedule, be on an eligible catch-up vaccination schedule or have an approved exemption from being immunised.

CCS is paid directly to approved providers and passed on to families as a fee reduction.

Additional Child Care Subsidy provides additional fee assistance to support vulnerable or disadvantaged families and children. This support recognises the preventative and protective influence of quality child care on a child's health, wellbeing and development; and the importance of continuity of care.

There are four different payments under Additional Child Care Subsidy:

- Additional Child Care Subsidy (child wellbeing)—to help children who are at risk of serious abuse or neglect.
- Additional Child Care Subsidy (grandparent)—to help grandparents on income support who are the principal caregiver of their grandchildren.
- Additional Child Care Subsidy (temporary financial hardship)—to help families experiencing financial hardship.
- Additional Child Care Subsidy (transition to work)—to help low-income families transitioning from income support to work.

The Inclusion Support Program is designed to assist early childhood education and care services to include children with additional needs by providing support, in the form of practical and tailored

advice and strategies on effective inclusive practice, from contracted Inclusion Agencies as well as funding to address more challenging inclusion barriers.

The Community Child Care Fund is designed to help eligible child care providers address barriers to child care participation, particularly in disadvantaged communities, including Indigenous communities.

AUTHORISATION

This policy was adopted by the approved provider of Prom Coast Centres for Children on 17th of July 2023

REVIEW DATE: December 2024

ATTACHMENT 1. FEE INFORMATION FOR FAMILIES

Prom Coast Centres for Children 2024

1. General information

Prom Coast Centres for Children abides by the *Family Assistance Legislation Amendment (Jobs for Families Child Care Package) Act 2017* (refer to *Legislation and standards*). The Child Care Subsidy helps by assisting families with their child care fees and provides greater assistance to low and middle-income families. The Child Care Safety Net provides families and services extra support if they are vulnerable and disadvantaged or located in a regional or remote community.

2. How fees are set

As part of the budget development process, Prom Coast Centres for Children sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of Child Care Package: www.dese.gov.au/child-care-package

Once fees are set for the year, they will only be reviewed in extraordinary circumstances, for example, if enrolments drop and the service is at risk of not being able to meet its expenses.

3. Other charges

Other charges levied by Prom Coast Centres for Children include:

- **Excursion/service event charge:** At times throughout the year an additional excursion(s) or event(s) may be arranged where it is considered relevant to the service's program and the children's interests. At this time any additional costs to families are taken into consideration before a decision is made (refer to *Excursions and Service Events Policy*).
- **Late collection fee:** Prom Coast Centres for Children reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by Prom Coast Centres for Children.
- **Casual booking fee:** A 10% surcharge applies to casual bookings made outside permanent hours.

4. Statement of fees and charges

A statement of fees and charges will be provided to families on enrolment (refer to *Attachment 2*).

Fees are not charged during the 2 week Christmas service closure.

5. Payment of fees

Prom Coast Centres for Children will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Fees are invoiced on a fortnightly basis two weeks in advance. Statements will show any childcare subsidy payments made by the Commonwealth Government and the remaining gap fee that is to be paid by parents/carers. Families are expected to pay the gap fee shown on the statement. It is a Family Assistance Law requirement that gap fee payments must be paid electronically. The Electronic Funds Transfer (EFT) Payment service that Prom Coast Centres for Children use is Debit Success.

Declined payments will incur an automatic surcharge from Debit Success.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Foster Centre Director to arrange a suitable payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

6. Cancellation of booking

Families are asked to provide 2 weeks notice of the cancellation of a booking. Fees will continue to apply for the 2 weeks notice period unless cancellation of booking is due to an illness and a medical certificate is provided.

7. Unpaid fees

If fees are not paid by the due date, the following steps will be taken:

- An initial reminder letter will be sent to parents/guardians with a specified payment date and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- No further enrolments of children from the parents/guardians will be accepted until all outstanding fees have been paid.

8. Refund of fees

Fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Foster Centre Director). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

9. Fundraising

Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

9. Support services

Families experiencing financial hardship often require access to family support services. Information on these services may be available from the Foster Centre Director or alternatively families may contact the local council.

10. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
